

Kim Haakstad– LPCBC Secretary Candidate

Fellow Liberals,

I would like to ask for your support in my bid to become LPCBC Secretary. I have served the Liberal Party of Canada for a long time, first as a Young Liberal, then as a staff person and now as a volunteer. I am now very excited about the possibility of serving the party as a member of the Provincial Executive.

For those of you that don't know me, I have been a member of the Liberal Party for over 15 years. I joined when I was still living in Grande Prairie, Alberta and I remember vividly what it is like to be a Liberal in a Conservative stronghold. I moved to BC in 1996 and since then I have lived in Vancouver, the Tri-Cities, Burnaby and Victoria. I worked as LPCBC's Executive Director for 1.5 years and served as the Provincial campaign director during the 2006 General Election where the Liberals gained seats in BC, despite losing seats nationally. I would be very grateful to have your support in my campaign.

I look forward to the great opportunities we have to spread our positive message across the Province.

Sincerely,

A handwritten signature in blue ink that reads "Kim Haakstad". The signature is written in a cursive, flowing style.
